An organizer of the expo, an Institute for Peace & Dialogue, IPD has successfully organized many international academic trainings and research programs in Switzerland since 2013 in the fields of peacebuilding, conflict transformation, mediation, security, intercultural dialogue, leadership and human rights which brought together representatives of state, private, public & academic sectors.

Through **BaselEduCa Expo 2020** event we are striving to equip all our exhibitors, guests and visitors with common space and environment to meet each other for future possible cooperation, first-hand study, training, exchange and career opportunities in national and international level.

For the 2020 year as a new activity type, we added 3 hourly Conference event with Welcome Day Aperó to the program of first day of the Exhibition to give more opportunities to the Exhibitor.
